3.2 Provident Fund (PF)

Provident Fund - Transfer	**Provident Fund - Withdrawal**
Former employees upon joining next employer, can immediately share Universal Account Number (UAN) mentioned on TCS pay slip / PF statement for linking new PF account number with UAN and can initiate a PF transfer request in EPFO Portal (https://unifiedportal-mem.epfindia.gov.in/memberinterface).	In TCS Alumni Portal, PF withdrawal request can be raised under "Retiral Form" tab based on the eligibility for withdrawal.

3.3 Employee Pension Scheme

Transfer of Pensionable Service	**Settlement of Pension**
Pension under EPS is maintained with Regional Provident Fund Commissioner (RPFC) Bandra. If pensionable service is more than 9 years and 6 months, you will have to transfer the pension to the new employer. In case you are taking a break from work OR joining any employer (not covered under EPS), you may opt for Pension Scheme Certificate which is issued by EPFO. You should surrender the same to EPFO in case you are joining next employer after the break to continue with pension benefits OR you may surrender the certificate upon attaining 58 years of age to claim Pension.	You can withdraw lumpsum pension if your continuous pensionable service is more than 6 months and less than 9 years and 6 months. Login to EPFO portal for online pension withdrawal - https://unifiedportal-mem.epfindia.gov.in/memberinterface

Note: For more details on Provident Fund and Pension transfer or withdrawal, you can refer to Retiral Settlement Guideline in Alumni Portal - My Documents. For queries related to Provident Fund and Pension or status of withdrawal, log a ticket over Alumni Portal – Helpdesk.

3.4 Superannuation Fund

Employees in grades C3B / BPO6 and above (or equivalent grades) are eligible for Superannuation. Eligible employees, who have opted for enrolment under TCS Superannuation Scheme can view Superannuation corpus amount in monthly pay slip.

Superannuation Fund Transfer	**Superannuation Fund Settlement**
You can transfer Superannuation Fund to a new employer provided you have Superannuation scheme OR can transfer to National Pension system (NPS).	You have the option to settle your superannuation account through TCS annuity service providers (LIC OR HDFC Life). **Note:** If your TCS service was more than 5 years, you will be able to withdraw 1/3rd of Superannuation fund or else you will be able to withdraw 50% of the fund.
Register on TCS Alumni portal and log a ticket under Superannuation Subcategory if you want to initiate the process for Superannuation transfer /Settlement	

FAQ	
	Health Insurance Continuity
	Salary Account and Food Card
	Form 16
	National Pension System (NPS)

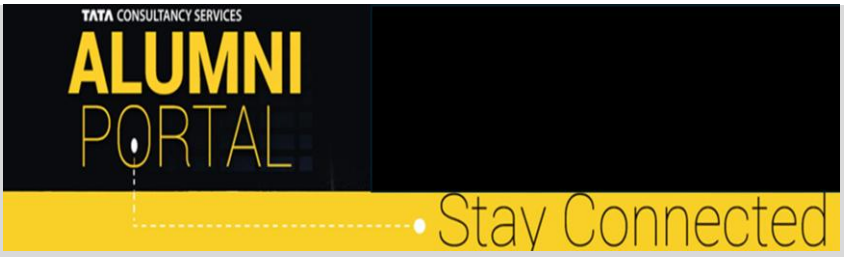

1. Health Insurance Portability - HIS coverage for employees and their enrolled beneficiaries will be valid only till your date of release. Former employees who wish to port the health insurance policy by purchasing a new retail policy, may download the policy continuation letter from the HIS portal (Ultimatix >> Health Insurance Portal >> Policy >> Policy Details >> Policy Continuation Letter) and can purchase retail policy from https://www.newindia.co.in.

2. Salary Account and Food Card - The salary account should remain active until the settlement of FFS. If applying for Provident Fund settlement, the salary account should also be kept active for this purpose. Former employees may use any remaining balance on their food card and contact the issuing bank for information about usage terms and card closure.

3. Form 16 - Form 16 is generated after the close of the financial year and will be available in the TCS Alumni Portal after the first quarter of the next financial year

4. National Pension System (NPS) - If former employees are contributing to NPS account after retirement, PRAN will switch to an Individual PRAN within 90 days. A minimum contribution of Rs.1000 is required to keep the account active until settlement.

In case of early retirement NPS funds can be withdrawn However, there is a lock-in period of 5 years or until retirement age of 60 years, whichever is earlier. Withdrawal can be made up to 20% of the corpus as a lump sum, and the remaining 80% must be invested in annuity. If the corpus is less than Rs. 5 lakhs, the entire amount can be withdrawn.

Wishing you all the best in your future endeavors !
